County Board of Supervisors.

Nov. 14th, HALF-PAST 2 o'clock.

The board was called to order by chair-man Pope.

The clerk read a communication from Messrs. Winchester & Fisher, of Beloit, proposing to furnish to the county a set of weights and measures at a cost of \$650.

Mr. Collins moved to refer the communication to the committee on roads and bridges. Lost.

It was finally referred to the committee on ways and means. After a short consultation, the committee reported against the proposition, and their report was accepted.

Mr. Spooner moved to direct the treasurer to purchase a set of weights and measures for the use of the county.

This motion was made the subject of a short and pertinent discussion, Mr. Collins opposing and Messrs. Johnson and Spooner sustaining it.

At the chairman's request, Mr. Spooner reduced his motion to writing, which was as follows:

Resolved, That the treasurer of the county be directed to purchase such standard scales for the use of the county.

The resolution was declared a substitute for the report of the committee, which, being put upon its passage, was lost—aye 4, nays 14.

The report of the committee was then adopted.

The use of the court room for Thursday evening was granted to Mr. E. V. Wilson.

Mr. Carpenter stated that the lease for the court and other rooms occupied by the county, had expired, and presented a proposition from Peter Myers to re-lease them to the county. Referred to the committee on public buildings.

The committee on court expenses reported bills to the amount of \$137.42, and orders were directed to be drawn upon the treasurer for the several amounts.

Adjourned to 9 o'clock, to-morrow morning.

FRIDAY MORNING, Nov. 15, 1861.

Board met pursuant to adjournment.

Roll called and a quorum present.

The journal of yesterday was read and approved.

Mr. C. R. Gibbs presented quite an amount of tax deeds on behalf of Mr. Isaac Pixley, who wished them cancelled and his money refunded with interest. Referred to committee on taxes.

Mr. Collins offered the following resolution, which was adopted:

Resolved, That the committee on justices' and constables' accounts be instructed to allow bills in their hands at such sums as may in their judgment be deemed legal, in accordance with instructions of the district attorney.

On motion of Mr. Collins, \$203, in county orders, was appropriated to the Blue Insurance Company, in full payment of insurance policy on county buildings for one year.

Several bills were recommitted to the committee on justices' and constables' accounts.

The committee on change of names reported in favor of the petition of John Reisenburg to change his name to John Sanner. Adopted.

Mr. Greenman introduced the following resolution, which was adopted:

Resolved, That the resolution which was adopted at the January term of 1861, reinstating the distinction between the county, town and city poor, which was to take effect on the first of January, 1862, be and the same is hereby rescinded.

Mr. Murray offered a resolution, which was adopted, asking a committee to ascertain if the town of Tortie was equalized too high. H. G. Murray, Peter Aller, T. L. Hollister, Geo. Barnes and T. H. Gooch were appoing such committee.

On motion of Mr. Greenman, the resolution changing the assessment of lot 79 in Smith, Bailey & Stone's addition to the city of Janesville was rescinded. This resolution was rescinded because the board had no right to correct the assessment roll.

From Camp Tredway.

Hospital 15th Regt.,
Camp Tredway, November 1st, 1861.

The patients in the hospital are under obligation to those benevolent ladies of Janesville, and to others who have so kindly sent in delicacies for their use. Without attempting to specify names they beg to return their warmest thanks to one and all of those who have not forgotten Uncle Sam's distressed. They thoroughly appreciate the recent donations of jellies, wines, dried-fruits, sick-gowns, etc., not excepting the loaf of Graham bread and the rolls of fresh butter.

In the line of clothing, bedding, &c., we have now received a good supply of bed-quilts, principally through good friends in Brooklyn, Green county. These November nights render the latter especially acceptable. Many a poor soldier's heart will be made warm, if not glad, by these timely bequests. We hope the soldiers' friends will continue to send in little comforts as heretofore. Small donations in considerable variety are better than large ones with less variety. In behalf of the sick,

S. S. WALLINIAN,
Hospital Staff, 13th Regiment.

P. S. The following are inmates of the hospital:—John Baham Co. A. Theo Williams Co. G. John Higgins Co. B. M. Erickson Co. G. H. W. Crow Co. D. P. Gundel Co. G. Corp'l Witham Co. D. A. Daniel Co. B. Corp'l Williams Co. D. W. S. Hutchins Co. E. John M. Cook Co. D. Sixteen others are unfit for duty, but not in the hospital.

COL. BARSTOW'S CAVALRY.—We are requested to state that the regiment of cavalry being raised by Col. Barstow has not been disbanded. The extent of the order revoking the authority given him by the Secretary of War is not yet fully understood. It is supposed to refer only to his contract to furnish horses and equipments. Colonel Barstow proceeded to Washington immediately on receipt of the notice, and his officers expect intelligence from him tomorrow. The announcement in the Madison Argus that the regiment is disbanded is premature and unfounded.—The men for the regiment are nearly recruited, and Col. Barstow had already contracted for the horses and equipments before receiving the notice.

THEIR are First Class, highly popular, and prompt paying companies. They invite investigation into their condition and financial resources. Their reports have not, for the past two years, depreciated below par, and are every way more reliable and permanent than railroads or other stocks which are subject to the fluctuations of the market. In times of general panic, as the experience of the past teaches, to become silent, if not entirely valueless. And while there are companies existing by name, and still called insurance companies, but having neither capital nor statements of their condition, and without a cash surplus to meet the cost of entering, the same shall render it impossible to accept the same for the issue of history of the rebellion, for certain relief and aid, and a price given for the removal of such relief and aid, and all who wish for information are compelled to go through the mass of rumors, reports, dispatches, letters and circulars, and the like papers, presented, from the able, accomplished and learned Professors of that School; and it affords us much gratification to be enabled to offer them these Extraordinary and Superior Advantages.

Official Paper of the City.

REPORTED FOR THE DAILY GAZETTE.
BY WISCONSIN STATE TELEGRAPH LINE,
Office in Union Passenger Depot.

Last Night's Report.

New York, Nov. 14.

Special state that Secretary Chase intends appointing a collector for the port of Beaufort, as the government will make it a port of entry. Senator Sumner will send a ship to Beaufort with an assured cargo to exchange for cotton.

Gen. Banks and Stone are in consultation with Gen. McClellan to-day.

Secretary Cameron has declared that soldiers shall not be used as slave catchers, and army officers will not be permitted to engage in the business, or order subordinates to catch return fugitives.

A letter from Gen. Willis states that several of the rifled cannon taken at Port Royal are late imports from England.

HALIFAX, Nov. 14.

The Niagara, from Liverpool 2d, via Queenston 3d inst., arrived here this A. M. Dates are two days later.

The Paris correspondent of the Independent Belg professed to have reliable information in regard to the Mexican expedition. He says that it has ulterior objects, and that if the southern confederacy can hold its own until January next, France and England will recognize it and break the federal blockade. This statement is pronounced in England as utterly untrue.

Private circular report a decline on the week of one-eighth.

WASHINGTON, Nov. 14.

Commissions have been issued to the following named gentlemen, under the recent appointments: Col. Geo. W. Cullen and Schuyler Hamilton, late attachés to Gen. Scott's staff, to brigadier generals of volunteers, to report to Maj. Gen. Halleck; Capt. Jesse L. Pinck of the regular army, Chas. C. Hager, Geo. W. Morgan, J. Stahl and Col. Philip St. George Cook also to be brigadier generals of volunteers, to report to Maj. Gen. Halleck.

BALTIMORE, Nov. 14.

A Norfolk Day Book of the 11th, is received, which contains the following:

RICHMOND, Nov. 11.

Col. Corcoran, three captains and eighteen lieutenants, all of whom were captured at Manassas, and confined in jail at Richmond, had been selected by lots to be hung, by way of retaliation for the hanging of Capt. Baker and crew of the privateer Savannah. The Hon. M. Ely drew lots for Corcoran, who is now in prison at Charleston.

In case the Court at New York condemned the crew of the Savannah to death, the federal officers will be immediately hung.

WASHINGTON, Nov. 14.

A general order has just been issued, relieving Fremont of his command, and ordering that all those appointed into the military service by Fremont, and whose appointment has not been sanctioned by the President, are hereby discharged from the service of the United States, by command of Gen. McClellan.

BOSTON, Nov. 14.

A vessel arrived at Holmes' Hole reports that a large English steamer, laden with munitions of war, had been captured by a U. S. vessel and taken to Key West.

NEW YORK, Nov. 14.

The Charleston Mercury of the 10th has the following:

The Yankee prisoners are all safely in jail, where they will abide the issue of the trial of our brave privates men at the north. Should one drop of southern blood be shed by the northern court, for defending the south, her seas, it will be paid with interest in *hell*. Self-government and humanity requires, in this instance, full and ample retaliation.

The Mercury says the federals would capture a large amount of cotton in the vicinity of Beaufort, and Gen. Ripley at Boyd's Landing, for the defense of the Charleston and Tennessee railroad.

A dispatch dated Pocotaligo, November 8th, says that Gen. Drayton returned in two steamers by Pipe's Ferry, and is now in Bluffton. The number of casualties he reports from 30 to 40.

Gen. Donovan retreated by the way of Lady's Island and Beaufort to Port Royal. Beaufort had not been burned as was reported. It contained an immense deal of cotton, but it was well Bluffton would be burned in case it was attacked. The railroad at Pocotaligo, Charleston and Savannah are in the greatest danger.

AUGUSTA, Ga., Nov. 11.

A report has been current here for the past day or two that black flags have been hoisted at Savannah, Charleston and other places on the southern coast, which indicates that no quarter will be given to the invaders and none will be asked. The Norfolk Day Book has the following advertisement:

Attention, Rattlesnakes!—Charge with fell poison, and be prepared to strike.—We find many subjects in this town who must receive the force of our venom. Call early at the hall, and hear the Big Snake. Little snakes keep your eyes open, and bring in the list of those unfriendly to our holy cause. By order of the Big Battle.

November 13, 1861.

To-Day's Report.

(Reported Exclusively for the Daily Gazette.)

MORNING DESPATCHES.

WASHINGTON, Nov. 14.

Tribune's dispatch.—John E. Udrie, of North Carolina, a British subject, was brought here in the Cour de Leon. He obtained a pass at Richmond from the British consul, and reached Mathias Point from Fredericksburg. He represents the citizens of Richmond to be in a great fright at the success of our navy at Beaufort. He was sent here by Gov. Beede, of North Carolina, to obtain two sons by the first marriage of the late Judge Douglas, and carry them south to prevent their property, valued at \$500,000, from being confiscated.

A report was received at head-quarters, last night, that the rebel forces in Northampton county, Virginia, had been reinforced, and were now 5,000 strong, with ten pieces of artillery.

Gen. Dix, who was here in consultation with the President and Gen. McClellan last night, discredit the statement and says that we wished to inflame the prejudices of the two sections, and argued that if southern citizens were as barbarous as this incident would paint them, it would not be desirable to live in unity with them.

We deplore the conclusion of the writer. It takes all sorts of people to make a world and a Union, and we are bound to do all the good we can to all sorts of people. Left to themselves, the southerners would wholly barbarize under the influence of slavery, and it is to their connection with the superior civilization of the north that they owe what moral and special progress they have made. But if the St. Louis paper objects to our paragraph, what will it make of the following, which we find in the Express, a journal which cannot certainly be charged with a desire to excite sectional animosity?

"PUTTING DEAD YANKEES TO A NEW USE.—The Norfolk Day Book under this heading says:

"We have recently seen some candles, which we were told, had been made from tallow and fat fried from dead Yankees who had been slain in several of the battles which have taken place between them and the southerners."

Whether true or false, this statement equally accuses the manners and morals of the south.—*N. Y. Eve. Post.*

RECEIVING HIS REWARD.—A telegraphic despatch from St. Louis, dated the 12th says—"Frank Blair will, it is expected, be appointed Major General of state troops under the new general order, at the request of Gov. Gamble."

Frank has not only fulfilled his threat to put his foot on Fremont's neck, but if this report is true, has made the removed general a stepping stone to his own advancement.

A physician very satisfactorily accounts for the fact that mittens are warmer than gloves, "for the same reason that four children will be warmer in one bed than sleeping alone." "It is the superabundance of caloric in it that makes a young man's face and ears so red when Miss Crimoline says No."

Gen. Meigs has intimated that he desired an active command.

World's dispatch.—Generals Stone and Banks are in town. A grand council of war is to be held to-day, which will be participated in by Gen. McClellan, the President and all acting major generals. The question of an advance will be decided. Our spies and scouts report great disturbance in the rebel ranks, and the rapid moving of troops. There is also great activity in the army here.

Times' dispatch.—There is evidently an intention on the part of the government to follow up the blow so successfully struck on the South Carolina coast.

Gen. Harney has gone to Fort Monroe. It is thought he will take command of the reinforcements, and participate in the campaign on the southern coast.

Herald's dispatch.—Mr. Dodge, chief of the police of Baltimore, was here to-day and reported to the war department that information was brought to Baltimore this morning, by boat from Fort Monroe, that Gen. Sherman had seized \$2,000,000 worth of cotton in the vicinity of Beaufort, South Carolina, and that numbers of citizens had professed loyalty to the government, and were soliciting arms with which to organize and protect themselves against the rebels.

It is reported upon good authority that the rebels are about forty thousand strong at Winchester, and 30,000 strong at Leesburg. The rebel pickets keep a close watch on the river opposite Poolesville and that vicinity, fearing Gen. Banks or Stone will cross just above Poolesville. The river is low enough for infantry to ford.

A private letter received in this city from the gulf squadron states positively that the privateer Sumter has been captured, and that her crew is on board the Niagara on her way north.

NEW YORK, Nov. 15.

The steamer Champion has arrived with the names of the 5th. Bogota was quiet under the Mosquera government. Gen. Hersom was on his way to Washington as minister.

It has been resolved at a convention of the confederate states, to change the name of New Granada to the United States of Columbia.

The Pacific mail steamer Uncle Sam brought down 300 troops, a large amount of rifles, &c.

Arrival of the Niagara.—Latest via Queenston 2d. Revolutionary movements are taking place among the students throughout Russia. The disturbances at Moscow were quelled by a military force. A petition is being signed largely for a constitution. Monster meetings of the people were expected on the return of the Emperor at Moscow.

Broadstuffs firmer. Provisions dull.

AFTERNOON DESPATCHES.

Report came too late to use today.

Books for the Soldiers.

In behalf of the 13th regiment, I thank the Congregational Sabbath School for a package of books worth \$6 for the use of the soldiers. Let others go and do likewise. We want a few hundred books for the use of the regiment; they should be small, as large ones will seldom be read, and they will be burdensome to carry.

Books on moral, religious and historical subjects—not controversial—are needed.

The Yankees prisoners are all safely in jail, where they will abide the issue of the trial of our brave privates men at the north. Should one drop of southern blood be shed by the northern court, for defending the south, her seas, it will be paid with interest in *hell*.

Self-government and humanity requires, in this instance, full and ample retaliation.

The Mercury says the federals would capture a large amount of cotton in the vicinity of Beaufort, and Gen. Ripley at Boyd's Landing, for the defense of the Charleston and Tennessee railroad.

To the PUBLIC.—Understanding that some persons are complaining of the management of the post-office in this city, I am very desirous of ascertaining their truth, and if found to be well grounded of applying the proper correction.

Both duty and interest impel me to such a course, I therefore ask it as a favor of my friends, and a simple act of justice from my enemies that they bring all such grounds of complaint to my immediate notice. To this end, and that all parties may have a fair and impartial hearing, I give notice that the 16th, 18th, and 19th days of this month, that is, Saturday, Monday, and Tuesday next, will be devoted by me exclusively to the investigation of these matters; and do hope that all persons who have or think they have cause of complaint, will call at the post-office between the hours of 9 o'clock A. M. and 5 o'clock P. M. of those days, and prefer the same.

H. C. TILTON, Chaplain.

P. O. Janesville, Nov. 15, 1861.

CITY ENGINEER.—At the regular meeting of the common council held last evening, Mr. Mich. P. Lynch of this city, was by unanimous vote of the council appointed city engineer, to do all surveying necessary to be done for the city. Mr. Lynch is an old citizen of Janesville and a first rate engineer; and will open an office in Jackman's new block.

SIGNS OF BARBARISM.—The other day we published a letter from one of the highest officers of our army, now serving in western Virginia, in which he enclosed a piece of the skin of John Brown's son, stating where he had obtained it, and averring that other pieces were circulated about the south to excite the fanaticism of the people. For publishing this the St. Louis Republican administered a gentle rebuke to us, and called at the post-office between the hours of 9 o'clock A. M. and 5 o'clock P. M. of those days, and prefer the same.

A physician very satisfactorily accounts for the fact that mittens are warmer than gloves, "for the same reason that four children will be warmer in one bed than sleeping alone." "It is the superabundance of caloric in it that makes a young man's face and ears so red when Miss Crimoline says No."

Gen. Meigs has intimated that he desired an active command.

World's dispatch.—Generals Stone and Banks are in town. A grand council of war is to be held to-day, which will be participated in by Gen. McClellan, the President and all acting major generals. The question of an advance will be decided.

Our spies and scouts report great disturbance in the rebel ranks, and the rapid moving of troops. There is also great activity in the army here.

Gen. Harney has gone to Fort Monroe. It is thought he will take command of the reinforcements, and participate in the campaign on the southern coast.

County Board of Supervisors.

Nov. 14th, HALF-PAST 2 O'CLOCK.

The board was called to order by chairman Pope.

The clerk read a communication from Messrs. Winchester & Fisher, of Beloit, proposing to furnish to the county a set of weights and measures at a cost of \$650.

Mr. Collins moved to refer the communication to the committee on roads and bridges. Lost.

It was finally referred to the committee on ways and means. After a short consultation, the committee reported against the proposition, and their report was accepted.

Mr. Spooner moved to direct the treasurer to purchase a set of weights and measures for the use of the county.

This motion was made the subject of a short and pertinent discussion, Mr. Collins opposing and Messrs. Johnson and Spooner sustaining it.

Resolved, That the treasurer of the county be directed to purchase such standard scales for the use of the county.

The resolution was declared a substitute for the report of the committee, which, being put upon its passage, was lost—aye's 4, noes 14.

The report of the committee was then adjourned.

The use of the court room for Thursday evening was granted to Mr. E. V. Wilson.

Mr. Carpenter stated that the lease for the court and other rooms occupied by the county, had expired, and presented a proposition from Peter Myers to re-lease them to the county. Referred to the committee on public buildings.

The committee on court expenses reported bills to the amount of \$137.43, and orders were directed to be drawn upon the treasurer for the several amounts.

Adjourned to 9 o'clock, to-morrow morning.

FRIDAY MORNING, Nov. 15, 1861.

Board met pursuant to adjournment.

Roll called and a quorum present.

The journal of yesterday was read and approved.

The committee on public buildings reported bills amounting to \$92,07, and recommend them to be allowed and orders drawn for the same. Report adopted.

The committee on sheriff's and jailors' accounts reported bills amounting to \$391, 21, and recommend them to be allowed and orders drawn for the same. Report adopted.

Mr. C. R. Gibbs presented quite an amount of tax deeds on behalf of Mr. Isaac Pixley, who wished them cancelled and his money refunded with interest. Referred to committee on taxes.

Mr. Collins offered the following resolution, which was adopted:

Resolved, That the committee on justices' and constables' accounts be instructed to allow bills in their hands at such sums as may in their judgment be deemed legal, in accordance with instructions of the district attorney.

On motion of Mr. Collins, \$203, in county orders, was appropriated to the Allia Insurance Company, in full payment of insurance policy on county buildings for one year.

Several bills were recommitted to the committee on justices' and constables' accounts.

The committee on change of names reported in favor of the petition of John Reisenburg to change his name to John Sauer. Adopted.

An appropriation of \$10 was made in favor of H. S. Gould for services in arresting S. C. Bigelow.

The committee on county poor reported an account of G. H. Williston, \$27,50, which was allowed.

Mr. Greenman introduced the following resolution, which was adopted:

Resolved, That the resolution which was adopted at the January term of 1861, reinstating the distinction between the county, town and city poor, which was to take effect on the first of January, 1862, and the same is hereby rescinded.

Mr. Murray offered a resolution, which was adopted, asking a committee to ascertain if the town of Turtle was equalized to high. H. G. Murray, Peter Aller, T. L. Hollister, Geo. Barnes and T. H. Goodhue were apprising such committee.

On motion of Mr. Greenman, the resolution changing the assessment of lot 79 in Smith, Bailey & Stone's addition to the city of Janesville was rescinded. This resolution was rescinded because the board had no right to correct the assessment roll.

Adjourned to half-past 3 o'clock.

CLOSING SALE OF PICTURES.—The last and closing sale of those pictures at Myers' block, next to McKey's, will take place on Saturday evening at seven o'clock, the 16th inst. All the pictures will be offered for sale, from "Franklin at the Court of France" to the very smallest engraving. The few which were sold are duplicated and are now on exhibition with the balance. It is the object of the owner to sell at any figure, to save the expense of packing and transportation from here. Therefore no better opportunity can offer for procuring a fine picture at your own prices. During the sale the request of a lady or gentlemen to put up any particular picture, will be complied with. Sale positive.

From Camp Tredway.

HOSPITAL 13TH REGIMENT,
CAMP TREDWAY, November 1st, 1861.]

The patients in the hospital are under obligations to those benevolent ladies of Janesville, and to others who have so kindly sent in delicacies for their use. Without attempting to specify names they beg to return their warmest thanks to one and all of those who have not forgotten Uncle Sam's distressed. They thoroughly appreciate the recent donations of jellies, wines, dried fruits, sick-gowns, etc., not excepting the loaf of Graham bread and the rolls of fresh butter.

In the line of clothing, bedding, &c., we have now received a good supply of bed-quilts, principally through good friends in Brooklyn, Green county. These November nights render the latter especially acceptable. Many a poor soldier's heart will be made warm, if not glad, by these timely bequests. We hope the soldiers' friends will continue to send in little comforts as heretofore. Small donations in considerable variety are better than large ones with less variety. In behalf of the sick.

S. W. SALLIHAN,
Hospital Steward, 13th Regiment.

P. S. The following are names of the hospital—John Bahar, Co. A. Thos. Williams, Co. G. John Higgins, Co. B. M. Erickson, Co. G. H. W. Crow, Co. D. P. Ganson, Co. G. Corp'l Witham, Co. D. A. Denfou, Co. B. Corp'l Williams, Co. D. W. S. Hutchins, Co. E. John M. Cook, Co. D. Sixteen others are unfit for duty, but not in the hospital.

COL. BARSTOW'S CAVALRY.—We are requested to state that the regiment of cavalry being raised by Col. Barstow has not been disbanded. The extent of the order revoking the authority given him by the Secretary of War is not yet fully understood. It is supposed to refer only to his contract to furnish horses and equipments. Colonel Barstow proceeded to Washington immediately on receipt of the notice, and his officers expect intelligence from him tomorrow. The announcement in the Madison Argus that the regiment is disbanded is premature and unfounded.

The men for the regiment are nearly recruited, and Col. Barstow had already contracted for the horses and equipments before receiving the notice.
